

WEEK 1

EXERCISE 1

Algorithm on how to cook a potato omelet:

1. Grab all the required ingredients: one potato, five eggs, salt, pepper, olive oil.
2. Grab all kitchen utensils.
3. Boil potato for about 2 minutes and slice it.
4. Beat eggs in a bowl.
5. Season eggs with salt and pepper.
6. Add ½ tablespoon oil in a frying pan.
7. Introduce potatoes and cook for a few minutes.
8. Add eggs to the pan.
9. Flip omelet in the pan with the help of a large plate.
10. Finish cooking and enjoy!
